

Aero Spares @ 25000pm/Aircraft*

**First Time
In India**

**Procurement
Outsourcing OFFER**

Save upto 30%

We are providing you a dedicated Procurement department, which not only take cares of Procurement but also the Transportation, Custom Clearance & ultimately the delivery We are eliminating the middle men from the chain of Procurement, which enables us to provide our client the original price. Further, this price is the best price available in the market, as it is chosen after negotiation & discounts from various quotes received from a network of Vendors. It is going to save at least 15-30% (or more) of the cost of the commodity.
